

# Program Features:

- ◆ One 45-minute class per week in the comfort of your child's school, August/September thru May.
- ◆ Class limited to 14 students.
- ◆ A recital performance held in May at your child's school.
- ◆ No extra recital fees or costume fees.
- ◆ Monthly newsletters posted on website.

## Tap-Ballet

Start age varies by location  
(age 3 and potty trained by  
December 31st at most locations)

A perfect combination class. This class is divided with 20 minutes of tap and 25 minutes of ballet. Since ballet is the basis for all dance technique, the combination of both work hand in hand. The technical training is taught through ballet, which in turn helps teach the proper shifting of weight and patterns in the movement for tap. Since children naturally respond to music and movement, all of the activities are executed to fun music.

**DRESS CODE** - Girls will need a pink leotard, pink tights, pink leather ballet slippers and black tap shoes. Boys should be dressed in a white t-shirt, black pants or shorts, black ballet shoes, and black tap shoes. Non-slip pads should be placed on the ball of tap shoes. Long hair should be pulled away from face. Please dress your child at home if they have a morning class. Be sure to label all dance attire.
